Chairman's Letter to Shareholders

Dear Shareholders,

On behalf of the Board and management team, I am pleased to present our Thirty Fifth (35th) Annual Report for Fiscal Year 2024-25. This year marked a period of strong operational performance, strategic expansion, and resilient financial outcomes — grounded in robust domestic demand and significant export momentum.

In current financial year we have maintained the pace of growth and have been able to achieve the Standalone growth in Income from operations by 29.23% i.e. from Rs.812.01 Crores to Rs.1049.33 Crores. The reason of which Company has earned profit of Rs.80.20 crores before interest, depreciation and taxes and PAT of Rs.24.80 Crores inspite of completion of subsidy/incentive period from Q4FY2024-25.

The Subsidy/Incentive sanctioned to the company under PSI Scheme 2007 is Rs.331.94 Crore out of which the whole amount of Rs.331.94 Crore subsidy/incentive income has been accrued upto Q3FY2024-2025 and there will not be further accrual of subsidy/incentive income from Q4 FY2024-2025. The Subsidy Income accrued in FY23-24 was Rs.51.52 Crore whereas in FY24-25 it was Rs.34.73 Crore.

With reason of constant effort of improvement in the financials of the Company, the credit rating for Long Term Bank Facilities has been upgraded to [IVR BBB/ Stable [IVR Triple B with Stable Outlook] from previous rating of [IVR BBB - / Positive [IVR Triple B Minus with Positive Outlook] and Short Term Bank Facilities has also been upgraded to [IVR A3+ [IVR A Three Plus]] from previous rating of [IVR A3 [IVR A Three]].

As communicated in our previous year's correspondence regarding the erection and commissioning of the captive solar plant, we are pleased to inform you that the commissioning has been successfully completed. The energy generated from the solar plant is now being utilized for captive consumption within our facility.

During the financial year, a total of 2,277,764 units of solar energy were generated and effectively utilized by the Company from its 3,053 kWp Solar Power Plant at the Nardana facility, which commenced commercial operations in August 2024. This initiative is contributing significantly to energy cost savings and aligns with our commitment to green energy, supporting a sustainable future and the long-term growth of our company.

Further, we are also moving ahead with our expansion plan in phased manner, which is a Mega project, under PSI scheme sanctioned by Government of Maharashtra. The said mega project related activities of the Company is targeted to complete by March 2027.

Our aim in short term as conveyed in last years is to sweat the assets fully, to maximize the capacity utilisation and adding more new machineries under the expansion plan for high value added products in both steel and copper segment will remain continued in addition to existing development done in FY2024-25.

We deeply appreciate the support of our team members and all the stakeholders namely suppliers, customers, employees, Board of Directors, Senior Management Team, Financial Institutions, all Government Departments and all shareholders. With a strategy focussed on quality, sustainability, and disciplined growth, we are confident in our ability to lead India's Steel Wire and Copper Materials sector into the future — balancing profitability with environmental responsibility.

Thank you for your continued trust.

Warm Regards,

Sd/-

The Board recommends the passing of resolution set out at Item No. 07 for approval of the members as **Special Resolution**.

ITEM NO.08

TO CONSIDER AND APPROVE MATERIAL RELATED PARTY TRANSACTION(S) IN STIPULATION OF MODIFICATION/INSERTION IN THE NAME OF PROPOSED BUYERS FOR THE EXISTING APPROVAL OF THE SHAREHOLDERS OBTAINED IN THE NAME OF KAMALASHA INFRASTRUCTURE AND ENGINEERING PVT LTD (RELATED PARTY), FOR SALE OF OWNED INDUSTRIAL LAND SITUATED AT GAT NO. 232, 237 MOUJE RASHEGAON & AT GAT NO. 29, MOUJE DEHERWADI, TAL. DINDORI, DIST. NASHIK

As per the Resolution Plan (RP) between the Company and Consortium Bankers, the Company is required to bring in additional funds by sale of Non-Core Assets owned by the Company to meet the additional long term/ working capital requirements of the Company.

In this regard, your Company had already taken approval of shareholders in 33rd AGM of the company to sell various non-core assets and/or the factory building, fully and /or partially to any third party (ies) including any related parties of the Company, considering distressed sale possibility or synergy factor in view.

Further, the Board of Directors on the recommendation of the Audit Committee had shortlisted/proposed the name of **Kamalasha Infrastructure and Engineering Private Limited (Related Party)"/"KEIPL") for selling/transferring/ hiving off of the entire Owned Industrial Land** situated at Gat No. 232, 237 Mouje Rashegaon & at Gat No. 29, Mouje Deherwadi, Tal. Dindori, Dist. Nashik, and accordingly the shareholders of the Company in its 34th AGM of the Company, approved the proposal of aforesaid transaction to be entered into with **Kamalasha Infrastructure and Engineering Private Limited**.

In this regard, the KEIPL has entered into an "Agreement to Sale" with the Company and paid its entire consideration of Rs.16.70 Crore for the purchase of aforesaid Industrial Land. However, due to delay in issuance of NOC from the Consortium Bankers there is subsequent delay in the execution of Sale Deed in favour of the KEIPL. Consequently KEIPL, as per the terms of "Agreement to Sale", has requested for invocation of its rights to transfer the ownership of the Industrial Land in favour of Opulence Infraa Developers LLP or Bedmutha Sons Realty Ventures Private Limited (each being a "Related Party") or to any other unrelated person(s)/entity(ies), if required, either jointly or severally with any related party (ies)/unrelated party, wherein KEIPL shall be acting as an Consenting Party to the "Sale Deed", to be executed with any of the aforesaid party(ies) and the Company, as may be deemed fit appropriate for aforesaid transactions.

The consideration amount paid by KEIPL for the aforesaid land shall be non-refundable and shall not be repaid by the Company. KEIPL has agreed that such consideration amount shall be recovered from the purchaser in whose favour the Sale Deed will be executed as per the direction of KEIPL, wherein KEIPL shall act as a Consenting Party to the said Sale Deed.

Further, as per the terms of “Agreement to Sale” and as requested by KEIPL, the KEIPL shall have the full right to recover any additional costs or investments made in the said land from any of the aforesaid eventual buyer(s), including interest or holding costs or any delayed payment/penalty incurred by KEIPL i.e. from the date of payment made to the Company until the execution of the Sale Deed, if any. Accordingly, the consideration mentioned in the Sale Deed may be modified to reflect such adjustments i.e. over and above the cost of sale consideration of Rs.16.70 Crore approved by the shareholders in its 34th AGM held on September 28, 2024.

The Audit Committee and Board of Directors of the Company in its meeting held on August 06, 2025 & August 07, 2025 has thoroughly reviewed the request received from KEIPL alongwith the terms and conditions of the existing proposal/agreements and decided to extend the leverage for execution of Sale Deed either in favour of KEIPL or Opulence Infra Developers LLP (“Opulence”) or Bedmutha Sons Realty Ventures Private Limited (“Bedmutha Sons”) (each being a “Related Party”) or to any other unrelated person(s)/entity(ies), if required, either jointly or severally with any related party (ies) or unrelated party(ies), wherein KEIPL shall be acting as an Consenting Party to the “Sale Deed”.

Accordingly, the Board of Directors in its meeting held on August 07, 2025, on the recommendation of Audit Committee has approved and recommended to the shareholders of the Company, the name of KEIPL or Opulence or Bedmutha Sons or to any other unrelated person(s)/entity(ies), if required, either jointly or severally with any related party (ies) or unrelated party(ies) in partial modification to the existing approval obtained in the name of Kamalasha Infrastructure and Engineering Private Limited.

This is to clarify to the Shareholders that except the change of name of the Purchaser and right to recover any additional costs or investments made in the aforesaid land by KEIPL from any of the aforesaid eventual buyer(s), including interest or holding costs or any delayed payment/penalty incurred by KEIPL i.e. from the date of payment made to the Company until the execution of the Sale Deed, all other terms and conditions will remain same as approved by the shareholders of the Company in its 34th AGM held on September 28, 2024.

Hence, it is proposed to sell;

- **Owned Industrial Land** situated at Gat No. 232, 237 Mouje Rashegaon & at Gat No. 29, Mouje Deherwadi, Tal. Dindori, Dist. Nashik to related party viz; **KEIPL or Opulence or Bedmutha Sons or to any other unrelated person(s)/entity(ies), if required, either jointly or severally with any related party (ies) or unrelated party (ies), as per the direction of KEIPL (Wherein KEIPL shall be acting as a Consenting Party to the Sale Deed)**

The said Land, factory building (if any) thereon established by the Company is proposed to be transferred to such aforesaid related/unrelated party after obtaining all requisite approvals. The said facility is proposed to be transferred on slump sale basis together with all the identified assets, liabilities, consents, permissions etc.

- **At Rs.16.70 crore - Rasegaon & Deherwadi Land (excluding KEIPL's right to recover any additional costs or investments made in the said land from any of the aforesaid eventual buyer(s), including interest or holding costs incurred from the date of payment until the execution of the Sale Deed. Accordingly, the consideration mentioned in the Sale Deed may be modified to reflect such adjustments, if any).**

Pursuant to applicable provision of Section 188 of the Companies Act, 2013 read with Rules 15 of the Companies (Meetings of Board and its Powers) Rules, 2014, the requirement for obtaining approval of the Members of the Company towards the related party transactions will be required w.r.t. selling or otherwise disposing of or buying property of any kind, directly or through appointment of agent, amounting to 10% or more of net worth of the company i.e. exceeding threshold limits of Rs.14.50 Crores on the basis of 10% of the net worth of the Company as on March 31, 2025.

Further, Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, (including any amendment, modification or re-enactment thereof) has also prescribed seeking of shareholders' approval for material related party transactions viz. transaction/transactions to be entered into individually or taken together with previous transactions during a financial year, exceeds the limits viz. 10% of the Consolidated Turnover of the Company as per last audited financial Statement of the Company, which tentatively amounts for the threshold value of more than Rs.104 Crore (as on March 31, 2025). Hence, the Board of Directors of the Company on recommendation of Audit Committee in its meeting held on August 06, 2025 has proposed aforesaid transaction for seeking approval of the member as Material Related Party Transaction.

BEDMUTHA INDUSTRIES LIMITED

As the above party is technically a related party as contemplated in Section 188 read with Section 2(76) of the Act, it is therefore proposed to pass this resolution as required by Section 188 of the Act seeking approval of the members.

The Valuation of the Undertakings for sale is derived on the basis of;

The Board of Directors recommends passing of the Resolution at Item No. 08 as contained in the notice as a **Special Resolution**.

ITEM NO.09

TO CONSIDER AND APPROVE RELATED PARTY TRANSACTION(S) IN STIPULATION OF MODIFICATION/ INSERTION IN THE NAME OF PROPOSED BUYERS FOR THE EXISTING APPROVAL OF THE SHAREHOLDERS OBTAINED IN THE NAME OF MNE COMPONENTS INDIA PRIVATE LIMITED (RELATED PARTY), FOR SALE OF PLANT-1 i.e. LEASE HOLD INDUSTRIAL PLOT NO. A-31 TO A-35 AND A-57 SITUATED AT STICE, MUSALGAON, SINNAR, NASHIK, MAHARASHTRA (12000 SQ. MTRS.) TOGETHER WITH BUILDINGS & STRUCTURES THEREON

As per the Resolution Plan (RP) between the Company and Consortium Bankers, the Company is required to bring in additional funds by sale of Non-Core Assets owned by the Company to meet the additional long term/ working capital requirements of the Company.

BEDMUTHA INDUSTRIES LIMITED

In this regard, your Company had already taken approval of shareholders in 33rd AGM of the company to sell various non-core assets and/or the factory building, fully and /or partially to any third party (ies) including any related parties of the Company, considering distressed sale possibility or synergy factor in view.

Further, the Board of Directors on the recommendation of the Audit Committee had shortlisted/proposed the name of **MNE Components India Private Limited (Related Party)"/"MNE") for selling/transferring/hiving off of the Plant-1** i.e. Lease hold Industrial Plot No. A-31 to A-35 and A-57 situated at STICE, Musalgaon, Sinnar, Nashik, Maharashtra (12000 sq. mtrs.) together with buildings & structures thereon and accordingly the shareholders of the Company in its 34th AGM of the Company, approved the proposal of aforesaid transaction to be entered into with **MNE**.

In this regard, the MNE has entered into an "Agreement to Sale" with the Company and paid its entire consideration of Rs.7.50 Crore for the purchase of aforesaid Plant-1 from the Company. However, due to delay in issuance of NOC from the Consortium Bankers there is subsequent delay in the execution of Sale Deed in favour of the MNE. Since, said Plant was required by the MNE for its business expansion and operational use and such delay in NOC effecting the business expansion plan of the MNE. Consequently MNE, as per the terms of "Agreement to Sale", has requested for invocation of its rights to transfer the ownership of the Plant-1 either in favour of Arian Innovations Private Limited or with other related party(ies)/entities, either jointly or severally with any related party (ies) belonging to the Promoter Group or if required, with any unrelated person(s)/entity(ies), wherein MNE shall be acting as an Consenting Party to the "Sale Deed", to be executed with any of the aforesaid party(ies) and the Company, as may be deemed fit appropriate for aforesaid transactions.

The consideration amount paid by MNE for the aforesaid Plant shall be non-refundable and shall not be repaid by the Company. MNE has agreed that such consideration amount shall be recovered from the purchaser in whose favour the Sale Deed will be executed, wherein MNE shall act as a Consenting Party to the said Sale Deed.

The Audit Committee and Board of Directors of the Company in its meeting held on August 06, 2025 & August 07, 2025 has thoroughly reviewed the request received from MNE alongwith terms and conditions of the existing proposal/agreements and decided to extend the leverage for execution of Sale Deed either in favour of MNE or Arian Innovations Private Limited (each being a "Related Party") or with other related party(ies)/entities, either jointly or severally with any related party (ies) belonging to the Promoter Group or if required, with any unrelated person(s)/entity(ies), wherein MNE shall be acting as an Consenting Party to the "Sale Deed".

Accordingly, the Board of Directors in its meeting held on August 07, 2025, on the recommendation of Audit Committee has approved and recommended to the shareholders of the Company, the name of MNE or Arian Innovations Private Limited or with other related party(ies)/entities, either jointly or severally with any related party (ies) belonging to the Promoter Group or if required, with any unrelated person(s)/entity(ies), in partial modification to the existing approval obtained in the name of MNE Components India Private Limited.

This is to clarify to the Shareholders that except the change of name of the Purchaser all other terms and conditions will remain same as approved by the shareholders of the Company in its 34th AGM held on September 28, 2024.

Hence, it is proposed to sell;

- **Plant-1** i.e. Lease hold Industrial Plot No. A-31 to A-35 and A-57 situated at STICE, Musalgaon, Sinnar, Nashik, Maharashtra (12000 sq. mtrs.) together with buildings & structures and other immovable assets thereon, to related party viz. **MNE or Arian Innovations Private Limited (each being a "Related Party") or with other related party(ies)/entities, either jointly or severally with any related party (ies) belonging to the Promoter Group or if required, with any unrelated person(s)/entity(ies).**

The said Land, factory building (if any) thereon established by the Company is proposed to be transferred to such aforesaid related/unrelated party after obtaining all requisite approvals. The said facility is proposed to be transferred on slump sale basis together with all the identified assets, liabilities, consents, permissions etc. at **Rs.7.50 crore**.

Pursuant to applicable provision of Section 188 of the Companies Act, 2013 read with Rules 15 of the Companies (Meetings of Board and its Powers) Rules, 2014, the requirement for obtaining approval of the Members of the Company towards the related party transactions will be required w.r.t. selling or otherwise disposing of or buying property of any kind, directly or through appointment of agent, amounting to 10% or more of net worth of the company i.e. exceeding threshold limits of Rs.14.50 Crores on the basis of 10% of the net worth of the Company as on March 31, 2025.

Further, Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, (including any amendment, modification or re-enactment thereof) has also prescribed seeking of shareholders' approval for material

related party transactions viz. transaction/transactions to be entered into individually or taken together with previous transactions during a financial year, exceeds the limits viz. 10% of the Consolidated Turnover of the Company as per last audited financial Statement of the Company, which tentatively amounts for the threshold value of more than Rs.104 Crore (as on March 31, 2025). Hence, the Board of Directors of the Company on recommendation of Audit Committee in its meeting held on August 06, 2025 has proposed aforesaid transaction for seeking approval of the member as Material Related Party Transaction, considering the total value of the aggregate related party transactions (Sale and Purchase of Good or Material and Sale of Fixed Assets) to be entered between the Company & MNE for the financial year exceeds aforesaid threshold value of Rs.104 Crore.

As the above party is technically a related party as contemplated in Section 188 read with Section 2(76) of the Act, it is therefore proposed to pass this resolution as required by Section 188 of the Act seeking approval of the members.

The Valuation of the Undertakings for sale is derived on the basis of;

- **Plant-1**, is one of the Non-core asset identified for sale under Restructuring Plan implemented by Consortium Banks

Management Discussion and Analysis Report

Management Discussion and Analysis Report for the year under review, as per regulation 34 (2) of SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015 is presented as below.

1. **This section include discussion on the following matters which are within the limits set by the listed entity of its competitive position:**

A) ECONOMIC REVIEW

GLOBAL ECONOMY

As per the World Economic Outlook July 25 edition published by the IMF on Global Economy: Tenuous Resilience amid Persistent Uncertainty, the Global growth was projected at 3.0 percent for 2025 and grew by 3.3% in FY2024-25 and 3.1 percent in 2026, an upward revision from the April 2025 World Economic Outlook. This reflects front-loading ahead of tariffs, lower effective tariff rates, better financial conditions, and fiscal expansion in some major jurisdictions. Global inflation is expected to fall, but US inflation is predicted to stay above target. Downside risks from potentially higher tariffs, elevated uncertainty, and geopolitical tensions persist. Restoring confidence, predictability, and sustainability remains a key policy priority.

Growth in advanced economies remained subdued particularly in Europe and the UK, where industrial activity was sluggish. In contrast, India's economy continued to outperform, driven by strong domestic consumption and infrastructure investments. China's recovery was uneven, with a weak property market and subdued demand offset partially by policy support. Meanwhile, ongoing geopolitical tensions including the wars in Ukraine and the Middle East, and US-China trade frictions continued to disrupt global trade and energy markets, prompting shifts in supply chains.

Overall, the global economy continues to face structural and geopolitical challenges that may influence business strategies and trade dynamics in the near term.

Globally, copper demand is booming—driven by renewable energy, EV adoption, and digital infrastructure such as 5G and smart grids. The global copper wire market is expected to reach over USD 210 billion by 2030 with a CAGR of 6.6%. Meanwhile, the steel industry is under transformation toward lower-carbon production: electric arc furnaces (EAFs) are becoming more prevalent, particularly in Europe.

Emerging carbon policies loom—India's export competitiveness to the EU may be impacted by the EU's Carbon Border Adjustment Mechanism (CBAM) beginning 2026, which aims to levy a carbon-intensive import tax unless compliance is demonstrated

INDIAN ECONOMIC REVIEW

The International Monetary Fund (IMF) has revised its forecast for India's economic growth to 6.4 percent for both 2025 and 2026. Earlier in its April 2025 World Economic Outlook, IMF had projected India's GDP growth at 6.2 percent for 2025 and 6.3 percent for 2026.

Reaffirming India's position as the world's fastest-growing major economy, IMF attributed the upward revision to a more benign external environment than anticipated in its April forecast. For India, projections are based on the calendar year, with the agency noting that India's growth projections are 6.7 percent for 2025 and 6.4 percent for 2026 based on financial year data.

The IMF has also modestly raised its global growth outlook to 3.0 percent in 2025 and 3.1 percent in 2026, citing lower-than-expected impact from tariffs, a weaker US dollar, and improved financial conditions. China is forecast to grow at 4.8 percent in 2025 and 4.2 percent in 2026, while the US is expected to expand 1.9 percent in 2025 and 2.0 percent in 2026.

India continues to outperform global peers in steel production and infrastructure growth. Between FY19 and FY24, domestic steel output surged by 33%, while global production declined by roughly 1%. Government capital expenditure in infrastructure—including metro rail, transmission lines, smart cities, and real estate is expected to rise by 25% in FY26 to ₹ 9 lakh crore, generating approximately ₹ 20,000 Crore in additional demand for wires and cables. India has adopted a new **"Domestically Manufactured Iron and Steel Products Policy 2025"** requiring government agencies to preferentially procure domestically made steel, helping shield local mills from imports.

BEDMUTHA INDUSTRIES LIMITED

Further, the Construction, automotive, rail electrification, and renewable energy expansion are lifting demand for both steel wire and copper products. The India steel wire market is projected to grow at ~5–6% CAGR through 2029/31, while the copper wire and cable market reaches USD 15.1 billion in 2024 and is expected to grow at ~5-6% CAGR through 2033.

Apart from above, the industry also faced challenges such as rising input costs, supply chain disruptions in growth sectors. We expect that the initiatives by the Indian Government such as National Steel Policy and the Production-Linked Incentive (PLI) scheme will boost manufacturing sector in India.

(a) INDUSTRY STRUCTURE AND DEVELOPMENTS

In addition to aforesaid details mentioned under economic review for Global & Indian parameters highlighting impacts & effects for the copper & steel sectors the steel output is anticipated to increase in FY2025-2026 and coming years. The demand for steel set to increase, on account of the robust domestic spending and construction activity, particularly in emerging markets which drove demand for steel & copper products, supporting production and capacity utilisation. The initiatives by the Indian Government such as the National Steel Policy and the Production-Linked Incentive (PLI) scheme aimed at boosting domestic manufacturing, also increased demand from sectors like construction, infrastructure development, and automotive manufacturing, driven by economic recovery.

On the other hand, as highlighted in previous year Annual Report, the global demand for copper continues to grow: world refined usage has more than tripled in the last 50 years, thanks to expanding sectors such as electrical and electronic products, building construction, industrial machinery and equipment, transportation equipment, and consumer and general products. Demand of copper is increasing due to progress of implementation of electric vehicle worldwide with associated charging infrastructure, decarbonisation policy push by US and EU and more and more emphasis on green energy to mitigate climate change.

According to the Indian Bureau of Mines and USGS data, India contributes around 0.3–0.4% of the world's total copper reserve and therefore has very limited copper ore reserves and Countries like Chile, Australia, Peru, and the U.S. have much larger reserves.

India's **mining output of copper** (i.e., mined copper ore) is very small compared to the global total — **approximately 0.2%**. Further, we have seen a decline in domestic mining after the closure of major mines like the **Balaghat mine** and **Hindustan Copper's mines** in recent years.

However, our country's refined copper production capacity is about 4% of world's production, largely due to Hindalco, Vedanta (Sterlite Copper), and Hindustan Copper Ltd.

Therefore, imports **copper concentrates** to feed its refineries because domestic ore is insufficient. Due to such factors the Raw-Material volatility in Both steel and copper markets remain susceptible to volatility and to avoid such risk we continue to hedge strategically, and maintain a lean working capital cycle.

The International Copper Study Group (ICSG) projects global copper mine production to grow 2.3% in 2025 and 2.5% in 2026. Refined copper output is expected to rise by 2.9% in 2025 and 1.5% in 2026, with a market surplus likely as demand growth moderates.

World copper mine production was projected to increase by 2.3% in 2025 to 23.5 million tonnes (mnt), mainly driven by the ramp-up of major projects such as Kamo in the Democratic Republic of Congo (DRC), Oyu Tolgoi in Mongolia, and the commissioning of the Malmzy mine in Russia. However, these gains will be partially offset by expected declines in Australia, Indonesia, and Kazakhstan.

Looking ahead to 2026, mine production growth is forecast to accelerate to 2.5%, supported by continued expansion in new and existing capacity, such as in China, along with anticipated output improvements in Chile and Zambia and a recovery in Indonesian production.

(b) OPPORTUNITIES, THREATS, RISKS AND CONCERNS

Opportunities:

Our company's product portfolio—which includes steel wires, wire products, wire ropes, and copper products—serves a broad spectrum of industries, with significant application in the infrastructure sector as well as in emerging and fast-growing segments such as electrical and electronic products, industrial machinery and equipment, transportation, and consumer goods.

The Government of India's *Make in India* initiative, coupled with increased public investment in infrastructure development—particularly in railways, urban and rural infrastructure, automotive (including electric vehicles), high-speed rail, and agriculture—is expected to drive strong volume growth across our product lines.

In addition, key national programmes such as Bharatmala & Sagarmala Projects, the Development of Smart Cities Mission, and Parvatmala are fueling sustained demand for high-performance wire ropes, especially in applications involving elevators, cranes, ports, and ropeways.

We also have planning for expanding our product portfolio with the introduction of a new verticals/products, which will positively increase the revenue and profit to the Company in long run.

Looking ahead, we anticipate a 15–20% year-on-year volume growth in the Indian market, underpinned by continued infrastructure development, accelerating urbanisation, and rising demand across core end-use industries.

Risks, Threats and Concern:

The risks which the Company may face are discussed as follows.

- Slowdown of major economies;
- Increased competition from small and new emerging business players;
- Inflationary conditions may result in tightening of interest rate;
- Geopolitical tension may affect supply chain of the company;
- **Raw-Material volatility** in Both steel and copper markets remain susceptible to volatility; we continue to hedge strategically, and maintain a lean working capital cycle.
- **Trade and Policy Risks:** Temporary safeguard duties and anti-dumping measures help protect us, but new trade disputes or EU Carbon Border Adjustment Mechanism (CBAM, pronounced Si-Bam) i.e. tariff on carbon intensive products, such as steel, cement and some electricity, imported to the European Union. Its implementation could affect exports. Therefore, in continuation to our efforts for enhancing emissions transparency and to reduce Carbon footprint and support sustainable development and green practices, we have successfully registered and got certified under Silver Category of **ECO-ID Certificate**, which will help us to attract & retain export subsidy to the buyers and to boost export sales.
- **Regulatory & Environmental Compliance:** Over 90% of India's planned steel-making capacity is still under development, offering a window to transition from coal-centric blast furnaces to greener technologies.
- The increased U.S. tariffs present short- to medium-term challenges for the steel and copper manufacturing sectors, particularly in export competitiveness and cost structures. Strategic adaptation, operational efficiency, and market diversification remain key priorities to mitigate associated risks and maintain resilience.

(c) SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

The comparative chart on segment-wise/product wise performance of the Company for the Financial Year ended on March 31, 2025 is provided herein below.

(Rs. in Lakhs)

Particulars	FY 24-25		FY 23-24		% (increase/decrease)	
	Steel	Copper	Steel	Copper	Steel	Copper
Revenue from Operations	37,629.49	67,303.95	36,183.5	44,977.34	4.00	49.64
EBITDA	4,908.33	2,942.32	5,142.59	3,019.94	-4.56	-2.57
PAT	273.72	2,066.37	-272.49	2,255.96	200.45	-8.40

(d) OUTLOOK

As we enter in the new financial year 2025–26, our strategic priority is to translate our investments into sustained operating momentum with effective utilisation of the resources available with the Company. The full utilisation of the capacity at our Nardana facility is progressing and is expected to be completed by end of this fiscal year. This expansion will significantly enhance our ability to serve increasing demand in high-value applications such as offshore, elevator, crane, and mining sectors etc.

We are firmly focused on optimizing asset utilization and improving throughput across key product lines to unlock further efficiencies and bolster our competitive position.

We are actively shifting toward lower-emission manufacturing, in line with industry expectations and global decarbonization goals. Additionally, recycling and scrap utilization are being prioritized to mitigate raw-material dependencies and reduce carbon intensity. Continued investments in sustainable production and automation, including predictive digital systems and smart plant infrastructure.

Aligned with evolving global demand trends, we are well-positioned to capitalize on strong domestic growth. India's infrastructure momentum-particularly in the railways, urban and rural infrastructure, automotive (including EVs), high-speed rail, and agricultural sectors-is expected to support robust volume growth across our portfolio.

Export sales are projected to strengthen progressively, supported by improved product positioning and a strategic push towards international markets.

Operationally, we are driving structural efficiency initiatives and leveraging our sound financial foundation to support growth. We are also executing a major expansion plan under the Government of Maharashtra's PSI scheme. This Mega Project is being implemented in a phased manner, with Phase I scheduled for completion by March 31, 2026, and Phase II targeted for March 2027. The project is primarily focused on capacity enhancement and diversification into more value-added products to cater to evolving industry needs.

Looking ahead, we remain committed to:

- Improve our EBITDA margin;
- Enhancing our product mix towards higher-value offerings, and
- Maintaining execution discipline amidst a dynamic and evolving market environment.

Our strategic initiatives and operational resilience position us well for sustainable growth and value creation in FY 2025–26 and beyond.

(e) INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company maintains a robust framework of internal controls that are in accordance with the nature and size of the business. The framework addresses the evolving risk complexities and underpins the Company's strong corporate culture and good governance. The Internal Audit plan is approved by Audit Committee at the beginning of every year. The purpose of an internal audit is to examine and evaluate the internal controls and risks associated with the Company's operations. It covers factories, warehouses and centrally controlled businesses and functions.

While these controls comply with the terms of the Companies Act, 2013, they are also regularly tested by statutory and internal auditors for their effectiveness. The framework is a combination of entity level controls that include enterprise risk management, legal compliance framework, internal audit and mechanisms framed under the Code of Conduct, Vigil Mechanism and Whistle-Blower Policy and process level controls, IT-based controls, period-end financial reporting and closing controls. The Company has clearly defined the policies, SOPs and organisational structure to ensure smooth conduct of its business. Technologies are leveraged in process standardisation, automation and their controls.

The extensive risk-based process of internal audits and management reviews provides assurance to the Board with respect to the adequacy and efficacy of internal controls. Internal audit reports are reviewed by the Audit Committee every quarter. Furthermore, the Committee also monitors the management actions implemented as a result of the internal audit reviews. Our Company is mindful of the fact that all internal control frameworks have limitations. Therefore, it conducts regular audits and review processes to ensure that the systems are continuously strengthened to improve effectiveness. The management has evaluated the operative effectiveness of these controls and noted no significant deficiencies or material weaknesses that might impact the financial statements as of 31 March 2025.

(f) **DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE**

Operational Performance Review – FY 2024-25 vs FY 2023-24

Production and Sales Volumes

1. Steel Segment

- o Production stood at **37,091.67 MT** in FY 24-25 compared to **38,971.58 MT** in FY 23-24, reflecting a decline of **4.82%**.
- o Sales volume also fell to **37,257.26 MT** from **38,953.61 MT**, marking a drop of **4.35%**.
- o The decline in steel volumes indicates challenges in production as well as sales, possibly due to demand moderation, market competition, or operational constraints.

2. Copper Segment

- o Copper production increased significantly by **13%**, reaching **6,589.10 MT** compared to **5,830.85 MT** in the previous year.
- o Sales mirrored production growth at **6,589.11 MT**, also registering a **13% increase**.
- o This segment provided positive support to overall volumes, partially offsetting the decline in steel.

3. Overall Performance

- o Total production decreased to **43,680.77 MT** from **44,802.42 MT**, showing a **2.50% decline**.
- o Sales volumes were **43,846.36 MT**, slightly lower than **44,784.46 MT** last year, down **2.09%**.
- o Thus, overall performance was mixed, with copper showing strong growth, while steel volumes dragged the aggregate performance.

Financial Performance Review-FY2024-25 vs FY2023-24

1. Revenue from Operations

- o Revenue surged to **₹1,04,933.43 lakhs** in FY 24-25 from **₹81,200.73 lakhs** in FY 23-24, registering a robust growth of **29.23%**.
- o The strong revenue growth, despite lower total sales volume, indicates improved realizations, better product mix and higher market prices due to increase of raw material prices, especially in the copper segment.

2. EBITDA (Earnings Before Interest, Taxes, Depreciation & Amortization)

- o EBITDA declined marginally to **₹8,020.09 lakhs** compared to **₹8,240.20 lakhs** last year, a decrease of **2.67%**.
- o This indicates that although revenue growth was strong, higher operating costs, input costs, or production inefficiencies eroded profitability at the EBITDA level.

3. Net Worth

- o Net worth increased to **₹14,541.63 lakhs** from **₹12,061.61 lakhs**, an improvement of **20.56%**.
- o This reflects strengthening of the balance sheet on account of retained earnings and improved financial stability.

4. Profit Before Tax (PBT)

- o PBT rose to **₹2,480.02 lakhs** in FY 24-25 compared to **₹2,026.61 lakhs** in FY23-24, marking a healthy growth of **22.37%**.
- o The rise in PBT, despite lower EBITDA, suggests support from other income, better finance cost management, or lower depreciation impact.

BEDMUTHA INDUSTRIES LIMITED

Key Insights

- **Volume Trend:** Copper drove the growth momentum with a double-digit increase, while steel faced contraction, dragging overall volumes down.
- **Revenue Growth:** Strong topline growth highlights favorable pricing and better market conditions, particularly in copper.
- **Profitability:** EBITDA decline points towards cost pressures, but the company managed to deliver higher PBT and strengthen net worth, reflecting efficient financial management.
- **Strategic Implication:** Going forward, stabilizing steel operations while continuing copper growth will be key to sustaining both revenue and profitability.

Conclusion:

FY 24-25 was a year of **mixed operational performance** with declining steel volumes but strong copper growth. Financially, the company delivered **robust revenue growth and improved profitability at the PBT level**, though operational margins (EBITDA) came under slight pressure. Strengthening of net worth is a positive indicator of long-term financial health.

(viii) sector-specific equivalent ratios, as applicable	NA	NA

Note: * Inventory Turnover Ratio variance is primarily on account of increase in sales along with decrease in average inventory.

(J) DETAILS OF ANY CHANGE IN RETURN ON NET WORTH AS COMPARED TO THE IMMEDIATELY PREVIOUS FINANCIAL YEAR ALONG WITH A DETAILED EXPLANATION THEREOF

Return on Net-worth for FY2024-25 is 17.05 as compared to previous financial year of 16.80. The reason for such increase is due to increase in revenue from operations and also increase in profit before tax during the year as compared to previous year.

2. DISCLOSURE OF ACCOUNTING TREATMENT

The Company has followed the treatment laid down in the Accounting Standards prescribed by the Institute of Chartered Accountants of India, in the preparation of financial statements. There are no audit qualifications in the Company's financial statements for the year under review.

Where in the preparation of financial statements, a treatment different from that prescribed in an Accounting Standard has been followed, the fact shall be disclosed in the financial statements, together with the management's explanation as to why it believes such alternative treatment is more representative of the true and fair view of the underlying business transaction.

CAUTIONARY STATEMENT

Statement in this Discussion and Analysis describing the Company's objectives, projections, estimates, expectations or predictions may be 'forward-looking statements' within the meaning of applicable Securities Laws and Regulations. Actual results could differ materially from those expressed or implied. The Company assumes no responsibility to publicly amend, modify or revise any forward looking statements, on the basis of any subsequent development, information or events or otherwise.

Important factors that could make a difference to the Company's operation include raw material availability and prices, cyclical demand and pricing in the Company's principal markets, changes in the governmental regulations, tax regimes, forex markets, economic developments within India and the countries with which the Company conducts business and other incidental factors.

ANNEXURE-5**REPORT ON CORPORATE GOVERNANCE FOR THE YEAR ENDED ON MARCH 31, 2025**

The Report on Corporate Governance as stipulated under Regulation 27, 34 and Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 forms part of the Board's Report.

1. COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE:

Corporate Governance is a systematic process driven by the ethical conduct of the business and affairs of an organization aimed at promoting sustainable business and enhancing stakeholders' value in the long term. We believe that Corporate Governance is not a destination but a continuous journey for sustainable value creation for all its stakeholders. Our governance practices are a product of self-desire, reflecting the culture of good governance that is deeply ingrained in our value system and reflected in our strategic thought process.

2. GOVERNANCE STRUCTURE

Bedmutha Industries Limited's governance framework is structured with the Board of Directors and its Committees at the apex level, supported by a robust Management structure at the operational level. This layered architecture ensures an effective balance between strategic oversight and operational execution.

The Board is responsible for articulating the Company's vision, setting broad corporate objectives, and establishing a governance framework within which the Management operates. The Management, in turn, is entrusted with the autonomy and accountability to execute these objectives efficiently and ethically.

This integrated governance approach promotes a culture of responsibility, transparency, and performance, thereby enabling long-term value creation and sustainable, profitable growth.

3. BOARD OF DIRECTORS:**A. Composition of Board:**

Pursuant to Regulation 17(1E) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, any vacancy arising due to the cessation of an Independent Director upon completion of their term is required to be filled not later than the date of such vacancy. In compliance with the said requirement, the vacancy arising due to the cessation of the second term tenure of Mr. Narayan Kadu (DIN:02807124), before the expiration of the term of office as an Independent Director of the Company on 31st March, 2024. The said requirement has been complied on the appointment of Mr. Sanjaya Kandpal (DIN:08055303), as an Independent Director with effect from 02nd April, 2024. Accordingly, the requirement under Regulation 17(1)(b) to maintain at least 50% of the Board comprising Independent Directors continued to be met, and there was a 2 days' delay in the appointment of Independent Director in place of Mr. Narayan Kadu due to non-availability of suitable profile which is required with balanced mix of experienced & professional Independent Director. Apart from that there were no intervening period of non-compliance.

Further, Ms. Vandana P. Sonwaney (DIN:06955363), had completed her second term tenure of Five consecutive years as Non-Executive Independent Director of the Company, at the business closing hours on December 29, 2024 and the Board of Directors on the recommendation of Nomination and Remuneration Committee, had appointed Mrs. Tilottama Rajaram Deshpande (DIN: 10885203) as an Additional Director (Category: Non-Executive Independent, Sub Category: Woman Director) of the Company, w.e.f. December 27, 2024 i.e., prior to the date of such vacancy. Further, the shareholders of the Company through Postal Ballot has approved the appointment of Mrs. Tilottama Rajaram Deshpande as an Independent Director of the Company for the First (01st) term of Five (5) consecutive years with effect from December 27, 2024 to December 26, 2029 (both days inclusive), not liable to retire by rotation, on March 21, 2025.

As on date, the Board comprises six (6) Directors, with an appropriate and balanced mix of Executive and Non-Executive Directors, including Independent Directors, thereby ensuring compliance with the applicable provisions of SEBI (LODR) Regulations, 2015, and the Companies Act, 2013.

The composition of Board of Directors is in compliance with Regulation 17 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 [SEBI (LODR)] and the Companies Act, 2013 (Act). Except the compliance under Regulation 17(1E) of the SEBI LODR viz. to fill in the resulting vacancy on account of the cessation of the second term of Mr. Narayan Kadu (DIN:02807124), before the expiration of the term of office

- f) disclosure of commodity price risks and commodity hedging activities**
The Company has a strong framework and governance mechanism in place for meeting market volatility in terms of price and availability. Mechanism like proactive planning, strategic decision making and proper contracting is in place to mitigate price volatility risks in various commodities. Backward integration strategy, rate negotiation with vendors, alternative sourcing, indigenization of critical components, and value-engineering driven initiatives also help the Company to mitigate this risk to a great extent.

The Company's functional currency is Indian Rupees (INR). The Company undertakes transactions denominated in foreign currencies; consequently, exposure to exchange rate fluctuations arise. Volatility in exchange rates affects the Company's revenue from export markets and the costs of imports, primarily in relation to raw materials. The Company is exposed to exchange rate risk under its trade and debt portfolio. Adverse movements in the exchange rate between the Rupee and any relevant foreign currency result's in increase in the Company's overall debt position in Rupee terms without the Company having incurred additional debt and favorable movements in the exchange rates will conversely result in reduction in the Company's receivables in foreign currency. The Company's currency exposures in respect of monetary items at March 31, 2025 & March 31, 2024 that result in net currency gains and losses in the income statement arise principally from movement in US Dollar and Euro exchange rates. Currently, this currency risk exposure is not hedged with forward cover and the company management is of the opinion that the currency risk is not material and also the currency risk is naturally hedged with company's export trade receivables.

The Board of Directors ("the Board") of the Company vide Circular Resolution on December 27, 2024, based on the recommendation of the Nomination and Remuneration Committee ("the Committee) and subject to the approval of shareholders, appointed Mrs. Tilottama Rajaram Deshpande (DIN: 10885203) as an Additional Director (Category: Non-Executive & Independent, SubCategory: Woman Director) of the Company, for the First (1st) term of 5 (Five) consecutive years with effect from December 27, 2024 to December 26, 2029 (both days inclusive), not liable to retire by rotation.

The shareholders of the Company through Postal Ballot dated Friday, March 21, 2025 approved - Appointment of Mrs. Tilottama Rajaram Deshpande (DIN: 10885203) as an Independent Director (Category: Non-Executive & Independent, Sub-Category: Woman Director) on the Board of Directors of the Company, for the first term of 5 consecutive years with effect from December 27, 2024 to December 26, 2029.

We further report that

Based on the information provided by the Company, its officers and authorized representatives during the conduct of the audit, and also on the review of compliance reports by the respective Department Heads / Company Secretary / CFO / KMP taken on record by the Board of Directors of the Company, in our opinion, adequate systems and processes and control mechanism exist in the Company to monitor and ensure compliance with applicable general laws like labour laws, competition law, environmental laws and all other applicable laws, rules, regulations and guidelines. The Company has responded to compliance requirements, notices for demands, claims, penalties etc. levied, by statutory/regulatory authorities and initiated actions for corrective measures and compliance thereof.

We further report that the compliance by the Company of applicable financial laws, like direct and indirect tax laws, and Labour Law Compliances have not been reviewed in this Audit since the same have been subject to review by statutory financial audit and other designated professionals.

The Board is duly constituted during the financial year 2024-2025 with proper balance of Executive Directors, Non-Executive Directors and Independent Directors except to the extend of the observation made above. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

We further report that

Adequate notice is given to all Directors to schedule the Board Meetings along with the agenda generally at least seven days in advance and detailed notes on agenda were sent well in advance before the meeting and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at the Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

We further report that there were no other major events during the year under review viz.:

- (i) Public/Right/Preferential issue of shares / Sweat equity / Debentures;
- (ii) Redemption/Buy-back of securities;
- (iii) Merger / amalgamation / reconstruction, etc; and
- (v) Foreign technical collaborations; or such other specific events / actions in pursuance of the above referred laws, rules, regulations, guidelines, etc., having any bearing on the Company's affairs.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report.

We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Information other than the Financial Statements and Auditor's report Thereon

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's and Board of Directors' Responsibilities for the Standalone Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting in preparation of standalone financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

BEDMUTHA INDUSTRIES LIMITED

Report on Other Legal and Regulatory Requirements

- 1) As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143 (11) of the Act, we give in the "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2) (A) As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

 - d)
 - (i) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or
 - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
 - (ii) The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:
 - directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or
 - provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries.

- (iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (d) (i) and (d) (ii) contain any material mis-statement.
 - e) Based on our examination, which included test checks, the Company has used accounting softwares for maintaining its books of account for the financial year ended 31 March, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the softwares. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.
 - f) The Company has not declared or paid any dividend during the year.
- (C) With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

Annexure A to Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls with reference to financial statements of Bedmutha Industries Limited ("the Company") as of 31 March 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls With Reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial

statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2025, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

BEDMUTHA INDUSTRIES LIMITED

ANNEXURE - B TO THE INDEPENDENT AUDITORS' REPORT

Report as required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013

The Annexure referred to in Independent Auditors' Report to the members of the Company on the standalone financial statements for the year ended 31 March 2025, we report that

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment
(B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment by which all property, plant and equipment are verified once in three years. In accordance with this programme, all property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than immovable properties where the Company is the lessee and the leases agreements are duly executed in favour of the lessee) disclosed in the standalone financial statements are held in the name of the Company.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.
- (e) According to information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The inventory, except goods-in-transit has been physically verified by the management during the year. For goods-in-transit subsequent evidence of receipts has been linked with inventory records. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were more than 10% in the aggregate of each class of inventory.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. In our opinion, the quarterly returns or statements filed by the Company with such banks or financial institutions are in agreement with the books of account of the Company.
- (iii) The Company has during the year, not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the provisions of clauses 3(iii) of the Order are not applicable.
- (iv) According to the information and explanations given to us and on the basis of our examination of records of the Company, in respect of investments made and loans, guarantees given by the Company, in our opinion the provisions of Section 185 and 186 of the Companies Act, 2013 ("the Act") have been complied with.
- (v) According to the information and explanations given to us, the Company has not accepted any deposit during the year and accordingly the compliance with Section 73 to 76 of the Act is not applicable. In respect of unclaimed deposits, the Company has complied with the provisions of Sections 73 to 76 or any other relevant provisions of the Act. According to the information and explanations given to us, no order has been passed by the Company Law Board or the National Company Law Tribunal or the Reserve Bank of India or any Court or any other tribunal on the Company.
- (vi) We have broadly reviewed the books of accounts maintained by the Company pursuant to the rules prescribed by the Central Government for the maintenance of cost records under Section 148(1) of the Act in respect of its manufactured goods and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the records with a view to determine whether they are accurate or complete.

- (vii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Goods and Services Tax ('GST'), Provident fund, Employees' State Insurance, Income-Tax, Duty of Customs, Cess and other statutory dues have been generally regularly deposited by the Company with the appropriate authorities. According to the information and explanations given to us and on the basis of our examination of the records of the Company, no undisputed amounts payable in respect of Goods and Services Tax ('GST'), Provident fund, Employees' State Insurance, Income-Tax, Duty of Customs, Cess and other statutory dues were in arrears as at 31 March 2025 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, statutory dues relating to Goods and Service Tax, Provident Fund, Employees State Insurance, Income-Tax, Duty of Customs or Cess or other statutory dues which have not been deposited on account of any dispute are as follows:

(₹ In Lakhs)

Sr. No.	Name of Statute	Amount	Period	Nature of Dues	Forum where the dispute is pending
1	Service Tax Act, 1994	151.57	2013-2015	Tax demanded plus penalty	Customs, Excise and Service Tax Appellate Tribunal, Mumbai
2	Central Excise Act, 1944	58.92	2012-2014	Tax demanded plus penalty	The Assistant Commissioner(Audit),Nashik

- (viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.
- (ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans and borrowing or in the payment of interest thereon to any lender.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a willful defaulter by any bank or financial institution or government or government authority.
- (c) According to the information and explanations given to us by the management, the Company has not obtained any term loans during the year. Accordingly, clause 3(ix)(c) of the Order is not applicable.
- (d) According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) According to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures as defined under the Act.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies (as defined under the Act).
- (x) (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) Accordingly, clause 3(x)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.
- (xi) (a) Based on examination of the books and records of the Company and according to the information and explanations given to us, considering the principles of materiality outlined in Standards on Auditing, we report that no fraud by the Company or on the Company has been noticed or reported during the course of the audit.
- (b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Companies Act, 2013 has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.

BEDMUTHA INDUSTRIES LIMITED

- (c) According to the information and explanation given to us, no whistle-blower complaints, received during the year by the company;
- (xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with Section 177 and 188 of the Act, where applicable, and the details of the related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- (xiv) (a) Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered the internal audit reports of the Company issued till date for the period under audit.
- (xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Act are not applicable to the Company.
- (xvi) a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) of the Order is not applicable.
- b) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(b) of the Order is not applicable.
- c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.
- d) Based on the information and explanations provided by the management of the Company, the Group does not have any CICs, which are part of the Group. We have not, however, separately evaluated whether the information provided by the management is accurate and complete.
- Accordingly, the reporting under clause 3(xvi)(d) of the Order is not applicable to the Company.
- (xvii) The Company has not incurred cash losses in the current and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of Section 135 of the Act pursuant to any project. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

Fair Value Techniques :

The fair value of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:

- Fair value of cash and short term deposits, trade receivables, trade payables, current loans, other current financial assets, short term borrowings and other current financial liabilities approximate to their carrying amount largely due to the short term maturities of these instruments. The Financial Assets & Liabilities for which time period is not defined / not available were carried at cost.
- The fair value of Investment in quoted Mutual Funds is measured at NAV.
- Sales Tax Loans are discounted at 10% p.a. to arrive at fair value as on transaction date.
- All foreign currency loan and liabilities are translated using exchange rate at reporting date.
- 1% Non Convertible Cumulative Redeemable Preference shares are discounted at 11.50% to arrive at fair Value

49. Financial Risk Management Framework:-

In the course of its business, the Company is exposed to certain financial risks namely credit risk, interest risk, currency risk, commodity risk & liquidity risk. The Company's primary focus is to achieve better predictability of financial markets and seek to minimize potential adverse effects on its financial performance. The financial risks are managed in accordance with the Company's risk management policy which has been approved by its Board of Directors.

BEDMUTHA INDUSTRIES LIMITED

- i. **Market Risk :-** Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates etc. could affect the Company's income or the value of its holdings of financial instruments including cash flow. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while maximizing the return. Market risk comprises three types of risk: interest rate risk, foreign currency risk and price risk, such as commodity risk. The Company's exposure to market risk is primarily on account foreign currency risk. Financial instruments affected by market risk include loans and borrowings, FVTPL investments.
- ii. **Interest Rate Risk :-** Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company at present does not have any floating interest rate borrowings and other Long term borrowings of the company are at fixed interest rate. Thus the company does not have any interest rate risk at present.
- iii. **Currency Risk :-** The Company's functional currency is Indian Rupees (INR). The Company undertakes transactions denominated in foreign currencies; consequently, exposure to exchange rate fluctuations arise. Volatility in exchange rates affects the Company's revenue from export markets and the costs of imports, primarily in relation to raw materials. The Company is exposed to exchange rate risk under its trade and debt portfolio. Adverse movements in the exchange rate between the Rupee and any relevant foreign currency result's in increase in the Company's overall debt position in Rupee terms without the Company having incurred additional debt and favorable movements in the exchange rates will conversely result in reduction in the Company's receivables in foreign currency. The Company's currency exposures in respect of monetary items at March 31, 2025 & March 31, 2024 that result in net currency gains and losses in the income statement arise principally from movement in US Dollar and Euro exchange rates. Currently, this currency risk exposure is not hedged with forward cover and the company management is of the opinion that the currency risk is not material and also the currency risk is naturally hedged with company's export trade receivables. The Company's exposure to foreign currency risk as at the end of the reporting period are being given in Note No 43.
- iv. **Commodity price risk :-** The Company has a strong framework and governance mechanism in place for meeting market volatility in terms of price and availability. Mechanism like proactive planning, strategic decision making and proper contracting is in place to mitigate price volatility risks in various commodities. Backward integration strategy, rate negotiation with vendors, alternative sourcing, indigenization of critical components, and value-engineering driven initiatives also help the Company to mitigate this risk to a great extent.
- v. **Liquidity Risk :-** Liquidity Risk is defined as the risk that the company will not be able to settle or meet its obligations on time or at reasonable price. The Company is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. The Company monitors its liquidity risk and maintains a level of cash and cash equivalents deemed adequate by management to finance the Company's present operations and to mitigate the effects of fluctuations in cash flows.
- vi. **Credit Risk Management :-** Credit Risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults. The Company's exposure are continuously monitored.
- vii. **Trade Receivables :-** The Company extends credit to customers in normal course of business. The Company considers factors such as credit track record in the market and past dealings for extension of credit to customers. The Company monitors the payment track record of the customers. Outstanding customer receivables are regularly monitored. The Company periodically assesses the financial reliability of the customers taking into account the financial condition and ageing of accounts receivable. The Company also take advances or Letter of Credit from some of its customers. The company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and operate in largely independent markets. The Company applies the simplified approach to providing for expected credit losses prescribed by IND AS 109, which permits the use of the lifetime expected loss provision for trade receivables which are not recoverable.

viii. **Cash and cash equivalents :-** As at the year end, the Company held cash and cash equivalents of ₹ 1289.79 Lakhs (31.03.2024 : ₹ 1152.40 lakhs). The Cash and Cash Equivalents are held with Bank and financial institutions counterparties with good credit rating.

ix. **Other Bank Balances :-** Other Bank balances are held with bank and financial institution counterparties with good rating.

BEDMUTHA INDUSTRIES LIMITED

Annexure I

1 CORPORATE INFORMATION :

Bedmutha Industries Ltd. (the 'Company') is a public limited Company and is listed on the Bombay Stock Exchange (BSE) and the National Stock Exchange of India Limited (NSE). The company is a leading manufacturer & exporter of Wire Rope, Tyre Bead Wire, Galvanized Wires, Galvanized Patented Wire, Phosphate Patented Wire, HC Wire For Ropes, Spring Wire, ACSR Core Wire, Cable Armoring Wire, Earth Wire, Stay Wire, Barbed Wire, Copper Products, Etc. Company is also involved in EPC Projects and Consultancy division.

2A MATERIAL ACCOUNTING POLICIES :

The material accounting policies applied by the Company in the preparation of its financial statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these financial statements, unless otherwise indicated.

a. Basis of preparation :-

i. Compliance with Ind AS :-

These standalone financial statements comply in all material aspects with Indian Accounting Standards (IND AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, as amended from time to time and other relevant provisions of the Act.

ii. Historical cost convention :-

These financial statements have been prepared on the historical cost basis, except for the following :

a) Certain financial assets and liabilities which are measured at Fair Value.

(Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date).

iii. Current and Non Current Classification :-

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non-current classification of assets and liabilities.

b. Use of estimates and critical accounting judgements :-

The preparation of the financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates under different assumptions and conditions. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

c. Property, plant and equipment :-

i. Tangible Assets :-

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation, amortization and impairment. Historical cost includes purchase price including non refundable taxes and directly attributable expenses relating to the acquisition of the items to bring the asset to its working condition and location for its intended use. Trial run expenses (net of revenue) are capitalized. Borrowing costs incurred during the period of construction is capitalized as part of cost of the qualifying assets.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to

the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to the statement of profit and loss during the reporting period in which they are incurred. The gain or loss arising on disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognized in the statement of profit and loss.

Capital Work in Progress ('CWIP') comprises of cost of assets not ready for intended use as on the Balance sheet date. CWIP is not depreciated until such time as the relevant asset is completed and ready for its intended use.

In case of new projects and in case of substantial modernization / expansion at existing units of the company, all pre-operative expenditure specifically for the project, incurred up to the date of completion, is capitalized and added pro-rata to the cost of fixed assets.

ii. Intangible Assets :-

Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortization/depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

iii. Depreciation and amortization of property, plant and equipment and intangible assets :-

- a. Depreciation on Fixed Asset is provided to the extent of depreciable amount on the Straight Line Method (SLM). Depreciation is Provided based on useful life of the assets as prescribed in Schedule II to the Companies Act 2013 or based on technical estimate made by the Company, except in respect of following assets, where useful life is different than those prescribed in the Schedule II are used;
- b. Depreciation on addition to the Fixed Asset or on sale/discardment is calculated pro rata from the date of such addition or up to the date of such sale/discardment, as the case may be;

iv. Leases:-

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as lessor : Leases in which the Company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

Company as lessee : The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Right-of-use assets : The Company recognises right-of-use assets at the commencement date of the lease (i.e. the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct

costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Unless the Company is reasonably certain to obtain ownership of the leased asset at the end of the lease term, the recognised right-of-use assets are depreciated on a straight-line basis over the shorter of its estimated useful life and the lease term. If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. Right-of-use assets are subject to impairment test.

Lease liabilities : At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The variable lease payments that do not depend on an index or a rate are recognised as expense in the period on which the event or condition that triggers the payment occurs. In calculating the present value of lease payments, the Company uses the incremental borrowing rate at the lease commencement date if the interest rate implicit in the lease is not readily determinable.

Short-term leases and leases of low-value assets : The Company applies the short-term lease recognition exemption to its short-term leases (i.e. those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered of low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

d. Impairment of non-financial assets - property, plant and equipment and intangible assets :-

The Company assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called cash generating units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss, if any is recognized in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

e. Investment Properties :-

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as Investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure are capitalized to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognized.

Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment losses if any.

f. Government Grant :-

Grant and subsidies from the government are recognized if the following conditions are satisfied,

- i. There is reasonable assurance that the Company will comply with the conditions attached to it.
- ii. Such benefits are earned and reasonable certainty exists of the collection.

Industrial Promotional Subsidy : Government grants received with reference to Industrial Promotional Subsidy under Package Scheme of Incentives, 2007 is treated as grant related to income and is recognized as other income in the statement of Profit and Loss as and when company makes the sale.

g. Inventories :-

Inventories are valued at the lower of cost and net realizable value. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:-

i. Raw materials :

Steel Segment : These are valued at lower of cost or net realizable value. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on FIFO basis.

Copper Segment : These are valued at lower of cost or net realizable value. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.

EPC Segment : These are valued at lower of cost or net realizable value. Cost includes all charges in bringing the materials to the place of usage, excluding refundable duties and taxes.

- ii. Work - in - Process :** Work - in - Process is valued at Raw material cost plus conversion cost depending upon the stage of completion or estimated net realizable value whichever is lower. Work in progress in case of construction contracts is measured in terms of a proportion of actual cost incurred to-date, to the total estimated cost attributable to the performance obligation.
- iii. Finished goods :** These are valued at lower of cost or net realizable value. Cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity. Cost is determined on weighted average basis.
- iv. Stock-in-Trade :** These are valued at lower of cost or net realizable value. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.
- v. Stock in Transit :** Goods and materials in transit are valued at actual cost incurred upto the date of balance sheet.
- vi. Stores and Spares :** Stores & Spare parts are valued at lower of cost (FIFO) or net realizable value and other minor's (Stores & Spares) are written off in the year of purchase.
- vii. Scrap :** These are valued at net realizable value.
- viii. Obsolete inventories** are identified and written down to net realizable value. Slow moving and defective inventories are identified and provided to net realizable value.

h. Revenue Recognition :-

Revenue from contracts with customers is recognized on transfer of control of promised goods or services to a customer at an amount that reflects the consideration to which the Company is expected to be entitled to in exchange for those goods or services.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract. This variable consideration is estimated based on the expected value of outflow. Revenue (net of variable consideration) is recognized only to the extent that it is highly probable that the amount will not be subject to significant reversal when uncertainty relating to its recognition is resolved.

In certain customer contracts shipping and handling services are treated as a distinct separate performance obligation and the Company recognizes revenue for such services over time when the performance obligation is completed.

i. **Sale of goods :-**

Revenue from sale of products is recognized when the Company satisfies a performance obligation in accordance with the provisions of contract with customer. This is achieved when control of the product has been transferred to the customer, which is generally determined when title, ownership, risk of obsolesce and loss pass to the customer and the Company has present right to payment, all of which occurs at a point in time upon shipment or delivery of goods. The Company collects goods and services tax (GST) on behalf of the government and, therefore, these are not economic benefits flowing to the Company. Hence, they are excluded from revenue. Excise duty deducted from revenue (gross) is the amount that is included in the revenue (gross) and not the entire amount of liability arising during the year.

Certain of the Company's sales contracts provide for provisional pricing based on the price on the London Metal Exchange ("LME"), as specified in the contract, when shipped. Final settlement of the price is based on the applicable price for a specified future period. The Company's provisionally priced sales are marked to market using the relevant forward prices for the future period specified in the contract and is adjusted in revenue.

Revenue from operations comprises proceeds from sale of scrap net of disposal expenses.

ii. **Sale of wind energy :-**

Revenue from sale of wind energy is recognized when delivered and measured based on rates as per bilateral contractual agreements with buyers and at rate arrived at based on the principles laid down under the relevant Tariff Regulations as notified by the regulatory bodies, as applicable.

iii. **Contract Revenue :-**

The Company recognizes revenue from contracts with customers when it satisfies a performance obligation by transferring promised good or service to a customer. The revenue is recognized to the extent of transaction price allocated to the performance obligation satisfied. Performance obligation is satisfied over time when the transfer of control of asset (good or service) to a customer is done over time and in other cases, performance obligation is satisfied at a point in time. For performance obligation satisfied over time, the revenue recognition is done by measuring the progress towards complete satisfaction of performance obligation. The progress is measured in terms of a proportion of actual cost incurred to-date, to the total estimated cost attributable to the performance obligation.

Contract Balances :-

Trade Receivable :- Trade Receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Refer to accounting policies of financial assets in section (p) Financial instruments – initial recognition and subsequent measurement.

Contract Assets :- Contract Assets are recognized when there is excess of revenue earned over billings on contracts. Contract assets are classified as unbilled receivables (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms.

Contract Liabilities :- Contract Liabilities are recognized when there is billing in excess of revenue and advance received from customers.

iv. **Interest income :-**

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

v. Dividend income :-

Dividend income is recognized in the statement of profit and loss only when the right to receive payment is established, provided it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

vi. Others :-

Revenue relating to insurance claims and interest on delayed or overdue payments from trade receivable is recognized when no significant uncertainty as to measurability or collection exists. Export benefits are accounted for in the year of export based on eligibility and when there is no significant uncertainty in receiving the same. Any other income is recognized on accrual basis.

vii. Revenue from Service :-

Revenue from services is recognized over time by measuring progress towards satisfaction of performance obligation for the services rendered. The Company collects service tax /GST on behalf of the government and, therefore, it is not an economic benefit flowing to the Company. Hence, it is excluded from revenue.

viii. Penalty and Liquidated Damages :-

Penalty and liquidated damages are accounted for as and when these are realized and/or considered recoverable by the company.

ix Profit on Sale of Investment :-

Profit on sale of investment is recognized upon transfer of title by the company and is determined as the difference between the sales price and the then carrying value of the investment.

i. Borrowing Costs :-

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest expenses calculated using the effective interest method and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

j. Employees Benefit :-

The liability for Gratuity benefits, on the basis of amounts contributed to LIC's Group Gratuity Policy and the difference between the amounts paid on retirement and recovered from LIC, is charged to Profit & Loss Account. Employer's Contribution to Provident Fund is debited to Profit & Loss Account. Premium paid for Workmen Compensation Insurance is charged to profit and loss account net off claims received, if any.

k. Foreign Currency Transactions :-

- i. Items included in the financial statements are measured using the currency of the primary economic environment in which the company operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is also the company's functional and presentation currency.
- ii. Transactions in foreign currency are recorded at exchange rates prevailing on the day of the transaction. Monetary assets and liabilities denominated in foreign currency, remaining unsettled at the period end are translated at closing rates. The difference in translation of monetary assets and liabilities and realized gains and losses on foreign currency transactions are recognized in the Statement of Profit and Loss. Non monetary items that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction.

l. Tax Expenses :-

The tax expense for the period comprises current and deferred tax. Tax is recognized in Statement of Profit and Loss, except to the extent that it relates to items recognized in the comprehensive income or in equity. In which case, the tax is also recognized in other comprehensive income or equity.

i. Current Tax :-

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

ii. Deferred Tax :-

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax assets are recognized for all deductible temporary differences only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

m. Earnings Per Share :-

The Company reports basic and diluted Earnings per share (EPS) in accordance with Ind AS 33 on "Earnings per Share". Basic EPS is computed by dividing the net profit or loss for the period (without taking impact of OCI) attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year as adjusted for the effects of all dilutive potential equity shares.

n. Cash Flow Statement :-

Cash flows are reported using the indirect method where by net profit before tax is adjusted for the effects of transactions of a non cash nature and any deferral or accruals of past or future cash receipts or payments. The cash flows from regular operating, investing and financing activities of the company are segregated.

o. Provisions, Contingent Liabilities and Contingent Assets :-

A provision is recognized when there is a present legal or constructive obligation in respect of which a reliable estimate can be made as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation. Provisions are measured at the present value of best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognized as interest expense.

Contingent liabilities and Contingent assets are not recognized but disclosed in the notes to the Financial Statements.

p. Financial instruments :-

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument.

A. Financial assets :-

i. Classification :-

The Company classifies financial assets as subsequently measured at amortized cost, fair value through other comprehensive income or fair value through Statement of Profit and Loss on the basis of its business model for managing the financial assets and the contractual cash flows characteristics of the financial asset.

ii. Initial recognition and measurement :-

All financial assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition.

iii. Subsequent measurement :-

For purposes of subsequent measurement financial assets are classified in below categories :

- a) Financial assets carried at amortized cost (AC) :** A financial asset is measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- b) Financial assets at fair value through other comprehensive income (FVTOCI) :** A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- c) Financial assets at fair value through profit or loss (FVTPL) :** A financial asset which is not classified in any of the above categories are measured at FVTPL.
- d) Other Equity Investments :** All other equity investments are measured at fair value, with value changes recognized in Statement of Profit and Loss.

iv. Derecognition :-

A financial asset is primarily derecognized when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

v. Investment in subsidiaries, joint ventures and associates :-

The company has accounted for its investment in subsidiaries, joint ventures and associates at cost. The company assesses whether there is any indication that these investments may be impaired. If any such indication exists, the investment is considered for impairment based on the fair value thereof.

vi. Cash and cash equivalents :-

Cash and cash equivalents consist of cash at bank and in hand and short term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

vii. Impairment of other financial assets :-

The Company assesses impairment based on expected credit losses (ECL) model for measurement and recognition of impairment loss on the financial assets that are trade receivables or contract revenue receivables etc.

viii. Reclassification of other financial assets :-

The company determines classification of financial assets and liabilities on initial recognition. For financial assets which are debt instruments and equity instruments for which company has not elected for irrevocable option of FVTOCI, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The company determines change in the business model as a result of external or internal changes which are significant to the company's operations.

BEDMUTHA INDUSTRIES LIMITED

B. Financial liabilities :-

i. Initial recognition and measurement :-

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognized in the Statement of Profit and Loss as finance cost.

ii. Subsequent measurement :-

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

iii. Derecognition :-

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

C. Offsetting Financial Instruments :-

Financial assets and liabilities are offset and the net amount is included in the Balance Sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously.

D. Fair Value Measurement :-

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole :-

i. Level 1 : Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

ii. Level 2 : Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

iii. Level 3 : Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

q. Events Occurring after the Reporting Period :-

The company adjusts the amount recognized in its financial statements to reflect adjusting material events after the reporting period and does not adjust the amount to reflect non-adjusting events after the reporting period. However where retrospective restatement is not practicable for a particular prior period then the circumstances that lead to the existence of that condition and the description of how and from where the error is corrected are disclosed in Notes on Accounts.

r. Prior Period Items :-

Errors of material amount relating to prior period(s) are disclosed by a note with nature of prior period errors, amount of correction of each such prior period presented retrospectively, to the extent practicable along with change in basic and diluted earnings per share. However where retrospective restatement is not practicable for a particular period then the circumstances that lead to the existence of that condition and the description of how and from where the error is corrected are disclosed in Notes on Accounts.

2B Recent Accounting Pronouncements

New and amended standards

Ministry of Corporate Affairs ("MCA") has notified amendments to the existing standards Ind AS 117 -Insurance Contracts and Ind As 116 – Leases, relating to sale and lease back transactions, applicable from April 1, 2024. The Company has assessed that there is no significant impact on its financial statements.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

BEDMUTHA INDUSTRIES LIMITED

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so. The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company and its associate company, has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

The consolidated audited financial results include the Company's share of net profit of ₹ 2.08 Lakhs for the year ended March 31, 2025, as considered in Consolidated Financial statement in respect of Ashoka Precon Pvt. ANNEXURE - A to the INDEPENDENT AUDITORS' REPORT**Report on the internal financial controls with reference to the aforesaid consolidated financial statements under Clause (i) of Subsection 3 of Section 143 of the Companies Act, 2013**

In conjunction with our audit of the Consolidated Ind AS financial statement of the Company as of and for the year ended March 31, 2025, we have audited the internal financial controls over financial reporting of Bedmutha Industries Limited ("the Holding Company") and its associate company which are companies, as of that date.

Management's and Board of Directors' Responsibilities for the Consolidated Financial Statements

The Respective Board of Directors of the Holding Company and its associate company which are companies, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note required that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risk of material misstatement of the Ind AS financial statement, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial controls with Reference to Consolidated Financial Statements

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statement for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statement in accordance with generally accepted accounting principles, and that receipts and expenditure of the company are being made only in accordance with authorization of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

BEDMUTHA INDUSTRIES LIMITED

Inherent Limitations of Internal Financial controls with Reference to consolidated Financial Statements

Because of the inherent limitation of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedure may deteriorate.

Opinion

In our opinion and to the best of our information and according to explanation given and based on the consideration of report of other auditors, as referred to in other matters paragraph, the Holding Company and its associate company have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to associate company, is based on the corresponding reports of the auditors of such company.

Fair Value Techniques :

The fair value of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:

- Fair value of cash and short term deposits, trade receivables, trade payables, current loans, other current financial assets, short term borrowings and other current financial liabilities approximate to their carrying amount largely due to the short term maturities of these instruments. The Financial Assets & Liabilities for which time period is not defined / not available were carried at cost.
- The fair value of Investment in quoted Mutual Funds is measured at NAV.
- Sales Tax Loans are discounted at 10% p.a. to arrive at fair value as on transaction date.
- All foreign currency loan and liabilities are translated using exchange rate at reporting date.
- 1% Non Convertible Cumulative Redeemable Preference shares are discounted at 11.50% to arrive at fair Value

51. Financial Risk Management Framework :-

In the course of its business, the Company is exposed to certain financial risks namely credit risk, interest risk, currency risk, commodity risk & liquidity risk. The Company's primary focus is to achieve better predictability of financial markets and seek to minimize potential adverse effects on its financial performance. The financial risks are managed in accordance with the Company's risk management policy which has been approved by its Board of Directors.

- i. **Market Risk** :- Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates etc. could affect the Company's income or the value of its holdings of financial instruments including cash flow. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while maximizing the return. Market risk comprises three types of risk: interest rate risk, foreign currency risk and price risk, such as commodity risk. The Company's exposure to market risk is primarily on account foreign currency risk. Financial instruments affected by market risk include loans and borrowings, FVTPL investments.
- ii. **Interest Rate Risk** :- Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company at present does not have any floating interest rate borrowings and other Long term borrowings of the company are at fixed interest rate. Thus the company does not have any interest rate risk at present.
- iii. **Currency Risk** :- The Company's functional currency is Indian Rupees (INR). The Company undertakes transactions denominated in foreign currencies; consequently, exposure to exchange rate fluctuations arise. Volatility in exchange rates affects the Company's revenue from export markets and the costs of imports, primarily in relation to raw materials. The Company is exposed to exchange rate risk under its trade and debt portfolio. Adverse movements in the exchange rate between the Rupee and any relevant foreign currency result's in increase in the Company's overall debt position in Rupee terms without the Company having incurred additional debt and favorable movements in the exchange rates will conversely result in reduction in the Company's receivables in foreign currency. The Company's currency exposures in respect of monetary items at March 31, 2025 & March 31, 2024 that result in net currency gains and losses in the income statement arise principally from movement in US Dollar and Euro exchange rates. Currently, this currency risk exposure is not hedged with forward cover and the company management is of the opinion that the currency risk is not material and also the currency risk is naturally hedged with company's export trade receivables.

The Company's exposure to foreign currency risk as at the end of the reporting period are being given in Note No 43 .

- iv. **Commodity price risk** :- The Company has a strong framework and governance mechanism in place for meeting market volatility in terms of price and availability. Mechanism like proactive planning, strategic decision making and proper contracting is in place to mitigate price volatility risks in various commodities. Backward integration strategy, rate negotiation with vendors, alternative sourcing, indigenization of critical components, and value-engineering driven initiatives also help the Company to mitigate this risk to a great extent.
- v. **Liquidity Risk** :- Liquidity Risk is defined as the risk that the company will not be able to settle or meet its obligations on time or at reasonable price. The Company is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. The Company monitors its liquidity risk and maintains a level of cash and cash equivalents deemed adequate by management to finance the Company's present operations and to mitigate the effects of fluctuations in cash flows.
- vi. **Credit Risk Management** :- Credit Risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults. The Company's exposure are continuously monitored.
- vii. **Trade Receivables** :- The Company extends credit to customers in normal course of business. The Company considers factors such as credit track record in the market and past dealings for extension of credit to customers. The Company monitors the payment track record of the customers. Outstanding customer receivables are regularly monitored. The Company periodically assesses the financial reliability of the customers taking into account the financial condition and ageing of accounts receivable. The Company also take advances or Letter

of Credit from some of its customers. The company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and operate in largely independent markets. The Company applies the simplified approach to providing for expected credit losses prescribed by Ind AS 109, which permits the use of the lifetime expected loss provision for trade receivables which are not recoverable.

- viii. Cash and cash equivalents :- As at the year end, the Company held cash and cash equivalents of ₹ 1289.79 Lakhs (31.03.2024 : ₹ 1152.40 lakhs). The Cash and Cash Equivalents are held with Bank and financial institutions counterparties with good credit rating.
- ix. **Other Bank Balances** :- Other Bank balances are held with bank and financial institution counterparties with good rating.

Annexure I**1 CORPORATE INFORMATION :-**

Bedmutha Industries Ltd. (the 'Company') is a public limited Company and is listed on the Bombay Stock Exchange (BSE) and the National Stock Exchange of India Limited (NSE). The company is a leading manufacturer & exporter of Wire Rope, Tyre Bead Wire, Galvanized Wires, Galvanized Patented Wire, Phosphate Patented Wire, HC Wire For Ropes, Spring Wire, ACSR Core Wire, Cable Armouring Wire, Earth Wire, Stay Wire, Barbed Wire, Copper Products, Etc. Company is also involved in EPC Projects and Consultancy division.

2 MATERIAL ACCOUNTING POLICIES :-

The material accounting policies applied by the Company in the preparation of its financial statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these financial statements, unless otherwise indicated.

a. Basis of preparation :-**i. Compliance with IND AS :-**

These standalone financial statements comply in all material aspects with Indian Accounting Standards (IND AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, as amended from time to time and other relevant provisions of the Act.

ii. Historical cost convention :-

These consolidated financial statements have been prepared on the historical cost basis, except for the following :

- a) Certain financial assets and liabilities which are measured at Fair Value.

(Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date).

iii. Current and Non Current Classification :-

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non-current classification of assets and liabilities.

b. Principles of Consolidation :-**(i) Subsidiaries:-**

Subsidiaries are all entities (including structured entities) over which group has control. The group controls an entity when the group is exposed to, or has right to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity.

Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date that control ceases.

The acquisition method of accounting is used to account for business combination by the group.

The group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses, Intercompany transaction ,balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed when necessary to ensure consistency with the policies adopted by the group.

Non -controlling interest in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of change in equity and balance sheet respectively.

BEDMUTHA INDUSTRIES LIMITED

(ii) Associates:-

Associates are all entities over which the group has significant influence but not control or joint control. This is generally the case where the group holds between 20% to 50% of the voting rights. Investments in associates are accounted for using the equity method of accounting (see iii) below, after initially being recognised at cost.

(iii) Equity method:-

Under the equity method of accounting, the investment is initially recognised at cost and adjusted thereafter to recognise the group's share of the post-acquisition profits or losses of the investee in profit and loss, and the group's share of other comprehensive income of the investee in other comprehensive income. Dividends received or receivable from associates are recognised as reduction in the carrying amount of investment.

When the group's share of losses in an equity- accounted investment equals or exceeds its interest in the entity, including any other unsecured long -term receivables, the group does not recognise further losses, unless it has incurred obligation or made payments on behalf of the other entity.

Unrealised gains on transactions between the group and its associates and joint ventures are eliminated to the extent of the group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the assets transferred. Accounting policies of equity accounted investee have been changes where necessary to ensure consistency with the policies adopted by the group.

c. Other Material Accounting Policies

These are set out under “Material Accounting Policies” as given in the Company’s standalone financial statements.
